Human Trafficking: Training for Healthcare Professionals and Support Staff

(Title of education activity)

Requirements for Successful Completion:

Learning outcome:

Participants will report an increase in knowledge related to human trafficking in at least one of the major content areas: understanding terminology, identifying potential victims, recognizing related health issues and reporting guidelines.

To receive contact hours for this continuing education activity, the participant must:

- ***Attend the entire activity***
- ***Register in advance, providing an email address for the electronic evaluation***
- ***Complete the electronic evaluation within 3 days of the activity***

Once successful completion has been verified, a "Certificate of Successful Completion" will be awarded for **1.75** contact hours.

Conflicts of Interest:

The activity's Nurse Planner has determined that no one who has the ability to control the content of this CNE activity – planning committee members and presenters/authors/content reviewers – has a conflict of interest.

Joint Provider Statement:

This CNE activity has been jointly provided by ***CHRISTUS Santa Rosa Health System/The Children's Hospital of San Antonio*** collaboratively with ***Ransomed Life of Texas***.

Your Electronic Evaluation:

During the presentation, you will receive a link and password to complete the electronic evaluation.

Completion of the evaluation is required to earn continuing nursing education (CNE) hours.

While completing the evaluation, you will see a frame that looks similar to the screenshot below. It asks for your name and credentials. *Type the information as you would like it to appear on the CNE certificate.*

The following questions will generate your certificate of successful completion.
Please enter your name and credentials as you would like them to appear on your certificate.
