

## Program Counselor

### Job Description

At Ransomed Life, exploited and "at-risk" youth and their families receive counseling services to equip and empower them for experiencing freedom and purpose. This position is for a part-time licensed clinician (Texas license) to provide individual, family, and group counseling to our participants as well as aid in the development and function of Ransomed Life mentors.

### Program Counselor Responsibilities

- Provides hybrid (telehealth and in-person) counseling, psychoeducation, and appropriate to the position case management to clients in individual, family, and group therapeutic settings
- Provide crisis intervention through supportive care and/or referral for needs
- Develop and/or facilitate groups for participating adolescents, guardians, and Ransomed Life mentors as needed
- Maintain comprehensive HIPAA compliant counseling files, treatment plans, service activities, case notes, and electronic devices used for sending and/or receiving PHI of clients
- Utilize Commercial Sexual Exploitation Identification Tool along with other appropriate assessment tools for measuring clients needs or therapeutic services
- Create an anti-racist space for clients while incorporating multicultural competencies and awareness
- Collaborate with partnering agencies regarding the treatment, well-being, and functioning of assigned clients
- Attend weekly and bi-weekly Ransomed Life staff meetings with indirect and direct care teams
- Participate in periodic meetings with Business Associates, internal and external trainings, and specialized court hearings as necessary
- Gather data for submitting quarterly reports
- Adhere to the guidelines as court mandated reporter while upholding ethical guidelines, federal privacy laws, and licensure laws
- Maintain flexibility as schedule may fluctuate with required participation for special events and clients in crisis
- Open HIPAA compliant communication with other Ransomed Life staff members and board of directors
- Reports to Director of Counseling
- Participate in annual evaluations conducted by Director of Counseling

### Program Counselor Qualifications

- Master's degree in Counseling, Clinical Psychology, Social Work, Counseling Psychology, or other degree meeting eligibility requirement in Texas for licensure as LPC (LPC-Associate), LCSW, or LMFT
- Licensed in the state of Texas as a LPC, LPC-Associate, LCSW, or LMFT
- At least two-year's experience working with sexual abuse victims and domestic violence
- Clinician will have experience conducting family and group psychoeducation and/or therapy sessions
- Effectively communicate in oral and written form
- Able to adapt to changing work priorities with frequent interruptions
- Training and experience in evidence-based trauma therapies such as TF-CBT, DBT, and TBRI
