

Ransomed Life Presentations

PREVENTION EDUCATION

GENERAL AWARENESS | 1 HR

The "Child Exploitation & Online Threats" presentation covers the risks and realities of Human Trafficking with a focus on minor sex trafficking and online exploitation. The training helps adults understand the scope of the problem and the hope Ransomed Life provides.

YOUTH (MS/HS) | 1 HR

The "Lures and Lies" presentation is geared for middle and high school aged youth. The session focuses on how technology puts every child at risk, common grooming tactics, misconceptions about exploitation and the dangers of sextortion. Students will understand how to stay safe from the lures traffickers use and the lies they feed them to keep them there.

PARENTS/CAREGIVERS | 1 HR

The "Growing Up in a Digital World" presentation is designed to educate all caregivers about how children are lured into the dark world of sex trafficking and exploitation. The session focuses on the dangers of technology, including strategies used by child predators. Caregivers will know how to identify a child in trouble and some best practices to be their child's trusted adult. They will also learn about the hope Ransomed Life offers.

SCHOOL STAFF TRAINING | 1.5 HR

While schools are often a safe place for young people, they can also be a recruiting ground for traffickers. The "Child Exploitation Training for School Staff" will cover the realities of child sex trafficking, the dangers of online enticement, identifying the signs of a child in trouble, and the services Ransomed Life offers.

AT-RISK YOUTH AGENCY TRAINING | 1.5 HR

The "Child Exploitation Training for Agencies" is designed for those who work with youth that may be at greater risk (previous trauma, abuse, neglect) of being trafficked/exploited. This training covers the risks and realities of child sex trafficking, sextortion, and how traffickers lure youth into their trap. Ransomed Life will also provide information about their community resources, education & counseling services.
